44th Annual Report 2025-26

Forward-Looking Statement

In this Annual Report, Yajur Fibres Limited has disclosed forward-looking information to help investors understand our business prospects and make informed investment decisions. This Report, along with other written and oral statements we may periodically make, contains forward-looking statements that outline anticipated results based on management's current plans and assumptions. Wherever possible, we have identified these statements using words such as 'anticipates', 'estimates', 'expects', 'projects', 'intends', 'plans', 'believes', and similar expressions in the context of discussing future performance. While Yajur Fibres Limited believes that our assumptions are prudent, we cannot guarantee that these forward-looking statements will be fully realized. The achievement of these results is subject to inherent risks, uncertainties, and potentially inaccurate assumptions. Should known or unknown risks and uncertainties materialize, or should the underlying assumptions prove incorrect, our actual results could differ materially from those we have anticipated, estimated, or projected. Readers are advised to bear this in mind. Yajur Fibres Limited undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise.

A ONE STOP SOLUTION FOR NATURAL FIBRES PROCESSING AND INNOVATION FOR MORDERN TEXTILES

Acquired in 1990, Yajur Fibres Limited stands as one of the world's finest cottonising units and a true pioneer in bast fibre innovation. Based in Howrah, West Bengal, the company has redefined global quality benchmarks for cottonised fibres. Yajur is the first in the world to achieve seamless blending of 55% jute in cotton spinning systems—a breakthrough in sustainable textiles. Its portfolio spans cottonised linen, jute, and hemp fibres, delivering 100% natural, biodegradable, and eco-friendly solutions.

With an annual production capacity of 4200 tons, Yajur is powering the sustainability journeys of conscious companies worldwide. Committed to continuous growth, the company has ambitious expansion plans to scale capacity by an additional 4 tons per day. At its core, Yajur Fibres is not just a manufacturer but a movement towards a greener, more responsible textile future.

Sustainable Fibre Innovations for Tomorrow

MANAGING DIRECTOR'S MESSAGE

Dear Fellow Shareholders.

It is a privilege and a source of immense pride to write to you at this defining milestone in the evolution of Yajur Fibres Limited. We currently stand at the historic intersection of an enduring industrial legacy and a highly strategic corporate transformation, and I am delighted to share this occasion of shared reflection and robust forward momentum with our entire shareholder community.

Over the years, our company has established itself as an industry leader in the premium cottonised bast fibre sector, cultivating deep commercial trust across domestic and international textile markets by strictly adhering to our foundational pillars: uncompromising quality, ecological sustainability, and pioneering R&D. This sustained success has never been a product of mere coincidence; rather, it represents the culmination of multi-generational dedication, the tireless efforts of our workforce, and our profound, long-term confidence in the future of natural, cottonised fibres.

Our Core Business: Pioneering Sustainable Fibres

At Yajur Fibres Limited, we are primarily engaged in the manufacturing of premium cottonised bast fibres, including flax (linen), jute, and hemp. Operating from our strategic processing unit in Howrah, West Bengal, we represent a highly specialized link in the textile supply chain. Our business focuses on converting long, brittle raw bast fibres into soft, cotton-like short-staple fibres.

The technical advantage of our proprietary cottonisation process is its seamless integration: it allows textile manufacturers to easily blend our sustainable fibres (up to 55%) with cotton or man-made fibres using their existing, conventional cotton spinning systems. This eliminates the need for expensive new spinning infrastructure, while delivering linen-rich fabrics

that look and feel like 100% linen but are produced at a 25% lower manufacturing cost. It has also successfully addressed the easy-wrinkle challenges traditionally associated with pure linen. Through continuous research and development, we have pioneered the commercial production of cottonised jute fibres, effectively expanding the horizon of sustainable, natural textiles. Our manufacturing facility has an established capacity of over 300 MT per month of cottonised fibres, flax yarn, and jute yarn.

FY 2025-26: Our Landmark BSE SME Listing

The financial year ended March 31, 2026, represents a historic chapter for your Company. Chief among our milestones was the successful launch of our Initial Public Offer (IPO) of 69,20,000 Equity Shares which raised gross proceeds of ₹12,040.80 lakhs. This milestone culminated in the official listing of our Equity Shares on the SME Platform of BSE Limited (BSE SME).

Yashoda Linen Yarn Limited: Our Strategic Forward Integration

A core component of our long-term strategy is forward integration. Through our subsidiary, Yashoda Linen Yarn Limited (YLYL), we are actively implementing a major greenfield manufacturing project. YLYL has secured 35 acres of designated industrial land on a 99-year lease at Vikram Udyogpuri in Ujjain, Madhya Pradesh. Centrally located, this facility ensures excellent

logistical access to major weaving clusters across the country.

Yajur is investing ₹4,800.00 lakhs of our IPO Net Proceeds into YLYL—structured as ₹3,000.00 lakhs in equity and ₹1,800.00 lakhs in debt—increasing our equity stake in the subsidiary from 80% to approximately 98.50%.

The project has been strategically reconfigured to set up a dedicated, state-of-the-art 100% premium wet-spun linen yarn facility comprising 10,880 active spindles in Phase-I.

All preliminary activities including civil design finalization, boundary wall installation, site development, utility tie-ups, and feasibility clearances have been successfully completed. Civil construction is currently in progress, utilizing an expedited Pre-Engineered Building (PEB) design for the main machine shed to ensure early commercialization. Procurement of plant and machinery is well underway, with major orders finalized with world-class vendors.

According to our updated schedule, civil construction is slated for completion by January 2027, followed by utility and machinery erection concluding in February 2027. Synchronization and trial runs will take place from January to March 2027, and we are firmly on track to achieve our planned **Commercial Operation Date (COD) in April 2027.**

Synergistic Value Creation and Group Integration

The corporate relationship between YLYL and Yajur establishes a highly integrated, closed-loop production model. As a major forward integration milestone, YLYL's wet-spinning facility is designed to absorb YFL's manufactured cottonised bast fibres to produce high-value yarns, allowing Yajur to process its raw materials into finished industrial products and secure a reliable internal off-take channel. Conversely, YLYL is positioned to act as a domestic supplier of premium flax fibre back to Yajur, enhancing our raw material security and cushioning the group from global supply chain shocks.

Setting up YLYL's dedicated yarn plant significantly mitigates Yajur's product concentration risk. By working in tandem, our two companies can offer a comprehensive, dual-threat portfolio of both high-quality sustainable raw fibres and premium wet-spun yarns directly to textile manufacturers. Furthermore, YLYL will leverage Yajur's pre-existing, extensive domestic and international marketing infrastructure including direct access to major weaving clusters and our established export pipelines in Turkey, Indonesia, Nepal, and Bangladesh to secure immediate yarn orders and drive rapid volume off-take from the day commercial production begins.

Fresh Leadership

With the induction of fresh management talent, we are infusing new energy, contemporary thinking, and a renewed sense of purpose into our operations. These young and dynamic leaders

join a legacy of strong governance and experienced oversight a balance that will be key as we script the next phase of growth. It is a step forward, driven by purpose, powered by people, and committed to building a better, more sustainable tomorrow.

The mandate is clear: to uphold our legacy while driving us toward modernization, efficiency, and global competitiveness. With digital tools, data-driven strategies, and a sharp customer focus, I believe we will navigate the evolving market dynamics with agility and purpose.

A Sustainable Vision

We operate in a world that is increasingly demanding environmentally responsible practices and rightly so. Jute and flax, by their very nature, offer sustainable alternatives to synthetic materials. It is our responsibility, and indeed our opportunity, to champion these natural fibres as future-ready solutions for global environmental challenges.

From eco-smart packaging to advanced geo-textiles, we are pushing the boundaries of natural bast applications. Our R&D and innovation teams continue to explore new treatments and blending capabilities that add value both economically and ecologically to our offerings.

People First, Always

At the heart of everything we do are our people. From the boardroom to the shop floor, every individual is part of the Yajur story. Our focus remains on creating a safe, inclusive, and empowering workplace that nurtures talent and rewards commitment.

CSR:

We are also expanding our CSR efforts to ensure that our growth is matched by our contribution to the communities around us. Education, health, and livelihood enhancement especially in rural areas remain our priorities.

As we look forward to the operationalization of our forward integration project and the expansion of our sustainable fibre footprint, I extend my deepest appreciation to our shareholders, bankers, customers, and partners for their continued trust and shared vision.

Warm regards,

Mr. Ashish Kankaria

Managing Director

OUR GOVERNING PHILOSOPHY

Mission

To become the world's largest manufacturer of cottonised fibres, enabling the textile industry with high-blend, high-speed performance through natural, sustainable and recyclable fibres. We are committed to achieving a cottonising capacity of 15,000 tons per year by 2030.

Core Values

Integrity

The cornerstone of all we do is integrity. We respect integrity and uphold the highest moral and ethical standards.

Customer Commitment

Committed to meet customer needs and offering value-added services at all points of contact.

Quality Excellence

Dedication to provide our customers with high-quality items.

Vision

To consistently deliver superior, high-quality, and sustainably processed fibres—specifically Flax, Jute, and Hemp—by leveraging cutting-edge cottonisation technology, ensuring compliance with global certifications, and fostering enduring partnerships across the textile value chain.

CORPORATE PROFILE, BUSINESS OVERVIEW & PROMOTER BACKGROUND

1. Company Overview

Yajur Fibres Limited (YFL) is a Kolkata-based textile manufacturing company belonging to the **Kankaria Group**, an established business group with experience and interests in the textile and allied sectors.

The Company is primarily engaged in the **processing and manufacturing of natural textile fibres and yarns**, with a particular focus on bast fibres. Over the years, Yajur Fibres has developed specialised capabilities in the processing and cottonisation of natural fibres such as **flax, jute and hemp**, thereby positioning itself in a specialised segment of the textile value chain.

The Company's corporate/group office is situated at **5, Middleton Street, Kolkata, West Bengal, India**. Its

manufacturing operations are located in **West Bengal**. The Company has developed a significant presence in bast-fibre processing and cottonisation and is regarded as one of the notable players in India in this specialised segment.

Yajur Fibres' manufacturing capabilities include the processing of natural bast fibres into cottonised fibre suitable for use in conventional textile-spinning systems, as well as the manufacture of **dry-spun flax yarn**.

The Company's business model is therefore positioned at the intersection of the conventional textile industry and the growing market for **natural, sustainable and alternative textile fibres**.

2. Business Activities and Manufacturing Capabilities

Yajur Fibres is primarily engaged in the processing and manufacture of natural fibres and textile products, including:

- Cottonised Flax Fibre
- Cottonised Jute Fibre
- Cottonised Hemp Fibre
- Dry-Spun Flax Yarn
- Other natural-fibre-based textile products and blends

Cottonisation is a specialised process through which bast fibres such as flax, hemp and jute are processed to obtain characteristics that make them suitable for blending and processing through conventional cotton-spinning systems.

This capability enables textile manufacturers to incorporate natural bast fibres into existing spinning and textile-production infrastructure without necessarily requiring entirely separate traditional bast-fibre processing systems.

Accordingly, Yajur Fibres occupies a specialised position in the textile value chain by acting as a bridge between **natural bast-fibre production and conventional textile spinning/manufacturing**.

3. Business Positioning

Yajur Fibres operates within the broader **textile and fibre-processing industry**, with specialised capabilities in natural and bast-fibre processing.

Unlike conventional textile manufacturers focused predominantly on cotton or synthetic fibres, the Company's business is differentiated through its focus on **flax, hemp and jute cottonisation**, along with flax-yarn manufacturing.

The Company's business positioning is supported by the following factors:

Established Presence in the Textile Industry

Yajur Fibres has developed operating experience and technical capabilities in the textile-processing industry, particularly in the specialised natural-fibre segment.

Promoter Experience and Group Background

The Company benefits from the experience and business background of the **Kankaria Group**, which has established interests and experience in textiles and related activities.

This provides Yajur Fibres with access to industry knowledge, business relationships and an established commercial ecosystem.

Manufacturing-Oriented Business Model

The Company's operations are substantially manufacturing-driven rather than being purely trading-oriented.

Its manufacturing infrastructure and specialised fibre-processing capabilities provide the Company with an operating platform capable of supporting future capacity expansion and business growth.

Specialised Natural-Fibre Processing Capability

The ability to process and cottonise **flax, jute and hemp** represents an important differentiating factor.

As global textile markets increasingly focus on sustainable and environmentally responsible fibres, the Company's presence in this segment could provide opportunities for long-term business development.

Established Customer and Supplier Ecosystem

Through its operating history and promoter-group experience, the Company has developed relationships across the textile supply chain, including suppliers of natural fibres and customers engaged in spinning, weaving, home textiles and other textile applications.

Sustainable Textile Opportunity

Natural fibres such as flax, hemp and jute are increasingly being considered alternatives or complements to conventional cotton and synthetic fibres.

The Company's product portfolio therefore provides exposure to broader global trends including:

- Sustainable textiles
- Natural and biodegradable fibres
- Flax and linen-based textile products
- Cotton-flax blended products
- Hemp-based textiles
- Jute-based textile applications
- Environmentally responsible textile manufacturing

Capacity Expansion and Growth

The Company's IPO was primarily a fresh issue of equity shares, providing additional capital to support its expansion and growth plans.

Successful deployment of these funds towards productive manufacturing assets and increased capacity utilisation could enable the Company to significantly expand its operating scale over the coming years.

Listed Corporate Structure

Following its listing in January 2026, Yajur Fibres operates within the regulatory and disclosure framework applicable to a listed company.

This entails periodic financial reporting, shareholding disclosures, corporate governance requirements and other regulatory compliances applicable to companies listed on the BSE SME platform.

4. IPO and Stock Exchange Listing

Yajur Fibres Limited successfully completed its **Initial Public Offering (IPO)** in January 2026 and subsequently listed its equity shares on the **BSE SME Platform**.

The IPO represented an important milestone in the Company's corporate journey, providing it with access to public equity capital to support its future expansion and business-development plans.

Key IPO Details

Particulars	Details
IPO Size	₹120.41 crore
Nature of Issue	Fresh Issue
Fresh Issue Quantity	69.20 lakh equity shares
Issue Price	₹174 per equity share
IPO Opening Date	7 January 2026
IPO Closing Date	9 January 2026
Listing Date	14 January 2026
Listing Price	₹139.20 per share
Stock Exchange	BSE SME
BSE Security Code	544676
ISIN	INE0CNJ01010

The IPO being predominantly/fundamentally a **fresh capital issue** is particularly relevant from the Company's growth perspective, as the funds raised are intended to strengthen and expand the Company's business rather than merely facilitating an exit by existing shareholders.

The Company's future financial performance will therefore depend considerably on the **efficient deployment of IPO proceeds, timely execution of expansion plans and utilisation of the additional manufacturing capacity created through such investments.**

5. Promoters and Promoter Group

As disclosed in the Company's IPO documents, the promoters of Yajur Fibres Limited include:

1. **Mr. Ashish Kankaria**
2. **Mrs. Shruti A. Kankaria**
3. **Ambica Capital Markets Limited**
4. **Gold View Financial Services Limited**

The promoters collectively represent the controlling promoter group of Yajur Fibres Limited.

The promoter group is associated with the **Kankaria Group**, which has established business experience and interests connected with the textile sector and allied business activities.

Promoter Strengths

The promoter background provides the Company with several strategic advantages, including:

- Experience in textile and allied businesses
- Understanding of textile raw-material procurement
- Established relationships within the textile ecosystem
- Knowledge of manufacturing and commercial operations
- Experience in financial and business management
- Established customer and supplier relationships
- Long-term involvement in the Company's business

The continued substantial shareholding of the promoters following the IPO also indicates a significant degree of promoter ownership and economic interest in the future performance of the Company.

6. Shareholding and Ownership Structure

One of the notable characteristics of Yajur Fibres Limited is the relatively high level of promoter ownership even after completion of the IPO.

As of **March 2026**, the broad shareholding structure was approximately as follows:

Shareholder Category	Approximate Holding
Promoters & Promoter Group	69.82%
Public / Other Shareholders	30.18%
Promoter Shares Pledged	Nil / No reported pledge

Thus, promoters continue to own approximately **70% of the Company's equity capital.**

Significance of Promoter Holding

A substantial promoter holding can be considered important because it demonstrates that the promoters continue to have significant financial exposure to the Company's long-term performance.

Additionally, the absence of reported promoter pledging is a favourable characteristic from the perspective of ownership structure.

However, promoter holding by itself should not be considered sufficient for evaluating the Company's future prospects. The Company's performance should also be assessed based on:

- Corporate governance
- Related-party transactions
- Capital allocation
- Operating cash flows
- Debt management
- Return on capital employed
- Execution of expansion plans
- Minority shareholder interests

7. Historical Financial Profile

Yajur Fibres has historically operated as a profitable textile-processing and manufacturing company.

For **FY2025-26**, the Company's financial performance was approximately:

Financial Parameter	FY2025-26
Revenue from Operations / Total Revenue	Approx. ₹100.97 crore
EBITDA	Approx. ₹10.18 crore
Net Profit / PAT	Approx. ₹ 7.52 crore

The above performance demonstrates that the Company had established a profitable operating business prior to undertaking its public issue.

FY2025-26 Performance

During FY2025-26, however, the Company's reported operating performance moderated compared with the preceding financial year.

Available financial information indicates approximately:

- **Revenue:** ₹100.97 crore
- **Profit After Tax:** approximately ₹7.5 crore

The moderation in revenue and profitability needs to be evaluated in the context of the Company's business cycle, capacity utilisation, raw-material conditions, expansion activities and other operational factors.

Importantly, FY2025-26 also represents a significant transition period for the Company because of its IPO and planned expansion programme.

Consequently, the Company's future financial trajectory should be assessed not merely on the basis of one financial year's performance but also in relation to how effectively the additional capital raised through the IPO is deployed.

8. Overall Corporate Positioning

Yajur Fibres Limited can be characterised as a **specialised natural-fibre processing and textile manufacturing company with an established promoter group, significant bast-fibre processing capabilities and an expanding manufacturing platform.**

The Company's focus on flax, hemp and jute differentiates it from conventional cotton- and synthetic-fibre-focused textile companies and provides exposure to the growing global emphasis on **sustainable, natural and environmentally responsible textile materials.**

The January 2026 IPO represents an important transition in the Company's development, providing substantial fresh capital for expansion while simultaneously bringing the Company within the listed-company regulatory and disclosure framework.

With promoters continuing to hold approximately **69.82% of the equity capital and no reported promoter pledge**, the ownership structure reflects substantial continuing promoter participation.

Going forward, the most important determinant of the Company's growth will be its ability to successfully deploy the IPO proceeds, complete its planned capacity expansion, achieve healthy capacity utilisation and translate increased production into sustainable revenue, profitability and operating cash flows.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

FY 2026 represents the fiscal year 2025-26, from 1 April 2025 to 31 March 2026, and analogously for FY 2025 and previously such labeled years

The Board of Directors is pleased to present the Management Discussion and Analysis Report for the financial year ended March 31, 2026. This Report has been prepared in accordance with the applicable provisions of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, and provides an overview of the economic environment, industry developments, business performance, opportunities, risks, internal control systems, and future outlook of the Company.

Yajur Fibres Limited is engaged in the manufacture of premium cottonised bast fibres, including flax (linen), hemp and jute fibres. The Company specializes in converting long and brittle bast fibres into cotton-like short staple fibres that can be blended with cotton and man-made fibres using the conventional cotton spinning system. The Company's focus on innovation, sustainability and quality enables it to cater to the evolving requirements of domestic and international textile manufacturers.

INDUSTRY STRUCTURE AND DEVELOPMENTS

Yajur Fibres Limited is engaged in the manufacturing of premium cottonised bast fibres, including flax (linen), jute and hemp fibres. The Company specializes in converting long and brittle bast fibres into cotton-like short staple fibres, enabling blending with cotton and man-made fibres through conventional cotton spinning systems.

The global textile industry is increasingly shifting towards sustainable and environmentally responsible raw materials. Natural fibres such as flax, hemp and jute are witnessing

growing demand owing to their biodegradability, lower environmental footprint and increasing acceptance in fashion, technical textiles, home furnishings and industrial applications. Cottonised bast fibres provide an efficient solution for textile manufacturers seeking sustainable alternatives without significant investment in new spinning infrastructure.

Government initiatives such as "Make in India", the Production Linked Incentive (PLI) Scheme for textiles, PM MITRA Parks and the National Technical Textiles Mission are expected to strengthen the Indian textile ecosystem and create additional opportunities for manufacturers of specialty fibres.

GLOBAL ECONOMY

During FY 2025-26, the global economy continued to recover amid persistent geopolitical tensions, elevated interest rates in several developed economies and ongoing supply chain adjustments. While inflation moderated in many regions, global trade remained uneven due to changing trade policies, logistics constraints and fluctuations in commodity prices.

The textile and apparel industry experienced mixed demand across international markets. Consumers increasingly preferred environmentally responsible and sustainable textile products, creating opportunities for manufacturers of natural and biodegradable fibres. Sustainability, traceability and circular economy initiatives continued to influence sourcing decisions by global brands.

Despite short-term uncertainties, long-term demand for sustainable textile raw materials is expected to remain positive, supported by increasing environmental awareness and regulatory focus on reducing the carbon footprint of textile manufacturing.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

INDIAN ECONOMIC OVERVIEW

India remained one of the fastest-growing major economies during FY 2025–26, supported by resilient domestic demand, robust infrastructure investment, government reforms and expanding manufacturing activities.

Government initiatives such as:

- Make in India
- PM MITRA Parks

- Production Linked Incentive (PLI) Scheme
- National Technical Textiles Mission
- National Logistics Policy

Continue to strengthen India's textile ecosystem and improve the country's competitiveness in global markets.

India's growing middle-class population, expanding textile exports and increasing preference for sustainable products provide a favourable environment for manufacturers of value-added natural fibres.

INDIAN ECONOMIC OVERVIEW Current Scenario for Textile Industry

India remains one of the fastest growing major economies in the world, supported by strong macroeconomic fundamentals, government reforms and increasing manufacturing competitiveness. The textile industry continues to play a vital role in economic growth, employment generation and export earnings.

MACROECONOMIC SNAPSHOT (FY 2025–26)

KEY GOVERNMENT INITIATIVES SUPPORTING THE TEXTILE SECTOR

CURRENT SCENARIO – KEY HIGHLIGHTS

- Strong domestic demand supported by rising income levels and urban demographics.
- Increasing global preference for sustainable and eco-friendly textiles creates new opportunities.
- India's cost competitiveness and skilled workforce remain key advantages.
- Focus on value addition, technical textiles and innovation to drive future growth.

“With strong macroeconomic fundamentals, supportive policies and a robust demand outlook, the Indian textile industry is well-positioned for sustainable and inclusive growth.”

TEXTILE INDUSTRY AT A GLANCE (FY 2025–26)

INDIAN TEXTILE VALUE CHAIN

OUTLOOK FOR TEXTILE INDUSTRY

TEXTILE INDUSTRY OVERVIEW

The Indian textile industry is one of the largest contributors to manufacturing output, employment and exports. The industry continues to transition towards value-added, sustainable and eco-friendly products in response to changing consumer preferences and global environmental standards.

Growing awareness regarding biodegradable fibres has accelerated the demand for flax, hemp and jute-based textile products. Cottonised bast fibres enable textile manufacturers to blend natural fibres with cotton using existing spinning infrastructure, thereby reducing capital investment while improving sustainability.

Increasing adoption of sustainable fibres by apparel brands, home textile manufacturers and technical textile producers is expected to create significant growth opportunities over the medium to long term.

Key industry growth drivers include:

- Rising demand for eco-friendly textiles.
- Increasing exports of value-added textile products.
- Government support for textile manufacturing.
- Expansion of technical textiles.
- Growth in premium apparel and home furnishing segments.
- Increasing global focus on sustainable sourcing.

INDUSTRY OPPORTUNITIES

The Company believes that the following factors present significant opportunities:

- Growing global demand for sustainable natural fibres.
- Increasing preference for biodegradable textile materials.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

- Expansion in technical textile applications.
- Higher demand for flax, hemp and jute blended yarns.
- Increasing export opportunities.
- Strong government support for the Indian textile sector.
- Rising consumer awareness regarding environmentally responsible products.

BUSINESS MODEL

The Company's business model focuses on creating value through efficient sourcing, technologically advanced manufacturing processes and customer-centric product development.

- Long-term stakeholder value.

MANUFACTURING PROCESS

The Company's manufacturing process is designed to produce premium-quality cottonised bast fibres while maintaining consistency, efficiency and sustainability.

Step 1 – Procurement

High-quality flax, hemp and jute fibres are sourced from reliable domestic and international suppliers.

Step 2 – Cleaning & Preparation

Raw fibres undergo cleaning and preparation to remove impurities and ensure uniformity before processing.

Step 3 – Cottonisation

Using specialized machinery and proprietary processing techniques, long bast fibres are converted into cotton-like short staple fibres suitable for conventional spinning systems.

Step 4 – Quality Assurance

Each production batch is subjected to rigorous quality checks for fibre length, fineness, strength, moisture content and consistency to ensure compliance with customer specifications.

Step 5 – Packing & Dispatch

Finished products are securely packed and dispatched through an efficient logistics network to domestic and international customers.

The Company continuously invests in process improvements to enhance productivity, reduce wastage and improve product quality.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

COMPANY OVERVIEW

Yajur Fibres Limited operates a bast fibre cottonising unit in India. Situated in Howrah, our Company is a part of the well-recognised conglomerate, The Kankaria Group. The group has rich experience of over 80 years in the Jute Industry. Our group, in the year 2006, acquired the manufacturing operations of cotton and cotton blended yarns into Yajur Bast Fibres Limited (formerly known as M.F.L Corporation Ltd). Subsequently, we have started manufacturing of premium cottonised bast fibres, including flax (linen), jute, and hemp in the year 2017-18. Yajur Bast Fibres Limited was amalgamated into our Company pursuant to the Scheme of Amalgamation under Section 230 to 232 of the Companies Act, 2013, sanctioned by the National Company Law Tribunal, Kolkata bench, vide order dated January 12, 2023 w.e.f. appointed date of April 1, 2021.

Our Company specializes in producing premium cottonised bast fibres, including flax (linen), jute, and hemp. We cottonise long & brittle bast fibres into cotton like short staple fibre such that the cottonised fibres can easily blend upto 55% with cotton and man-made fibres in the existing cotton spinning system or similar. Cottonising jute fibres until few years ago was considered a farfetched idea but with robust R&D and diligent commercial production of the same by Yajur has changed the landscape of sustainable bast Fibres altogether. While there are thousands of cotton & polyester spinning mills globally there are less than 400 spinning mills between linen, jute and hemp. Our cottonised Fibres can spin from 10% to 85% in cotton spinning systems and easily blends with natural and manmade fibres. These blended fibres spin at 70% of average cotton spinning speed, while the linen rich blends give similar look and feel like 100% linen fabrics, however the cost of production is 25 % less than original linen fabrics. It has taken away the easy wrinkle issues associated with 100% linen. Our Company has capacity of over 300 MT per month of Cottonised Fiber, Flax Yarn and Jute yarn. Our Company is known for its extensive experience and innovation in bast fibres, which has made it the preferred choice for many top spinning & weaving mills in India, Turkey, Indonesia, Nepal and Bangladesh. Our products are being processed and manufactured in accordance with best practices available globally. Our system and product are tested constantly at each level to ensure international standards of quality in-house. Our Company places a strong emphasis on research and development (R&D) to continuously test and improve its products. We are dedicated to achieving excellence and best in class practices.

Our Company's cottonised flax fibres are known for their softness, cleanliness, and consistency. The fibres high fibre length uniformity given that natural bast fibres can be as long as 10 ft. and negligible trash, providing high yield when blended with other natural or manmade fibres. Our Company also offers cottonised jute and hemp fibres, which have gained popularity for their sustainability and versatility. We are one of the first few companies to commercially introduce cottonised jute fibres spinning at over 90,000 rotor speed and the has

pioneered in introducing commercially cottonised jute fibre that can blend upto 55% with cotton or any other natural & manmade fibres in the cotton spinning system or equivalent.

Our Company's manufacturing facility is located in the Jute hub of West Bengal, India. The manufacturing unit is spread across an area of approximately 19 Acres with aprox. 500 meters of Ganges River front situated at Jagannathpur. Phuleswar, Uluberia, District Howrah, Pincode - 711316.

Our manufacturing plant is equipped with best-in-class machinery and has received certifications ISO9001, ISO14001, ISO45001, OEKOTEX 100 and EUROPEAN FLAX certification.

Our Company is contributing its 100% output to the sustainability drives and desires of conscious companies and consumers alike. The whole company is dedicated to 100% sustainable, natural & biodegradable fibres.

OPERATIONAL PERFORMANCE

During FY 2025-26, the Company continued to focus on operational excellence despite a challenging business environment.

Key operational priorities included:

- Enhancing production efficiency.
- Optimizing raw material procurement.
- Improving cost competitiveness.
- Strengthening customer relationships.
- Maintaining high-quality standards.
- Increasing operational sustainability.

The Company continued to supply premium cottonised bast fibres to customers engaged in the manufacture of yarns, fabrics, technical textiles and value-added textile products.

Operational efficiencies and prudent cost management helped mitigate the impact of lower demand and pricing pressures experienced during the year.

STRENGTHS

The Company continues to leverage several competitive strengths:

- Specialized expertise in cottonised bast fibre manufacturing.
- Strong focus on sustainable and eco-friendly products.
- Experienced management team.
- Established customer relationships.
- Consistent product quality.
- Efficient manufacturing processes.
- Commitment to innovation and continuous improvement.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

FUTURE OUTLOOK

The long-term outlook for Yajur Fibres Limited remains encouraging.

Increasing global demand for sustainable textiles, rising consumer awareness regarding environmentally responsible products and favourable Government initiatives are expected to support long-term growth of the natural fibre industry.

The Company intends to focus on:

- Expanding domestic and export markets.
- Improving operational efficiencies.
- Developing innovative value-added products.
- Strengthening customer relationships.
- Enhancing manufacturing capabilities.
- Improving profitability through cost optimization and productivity improvements.

Management remains confident that the Company's strategic initiatives, strong technical expertise and commitment to sustainability will enable it to capitalize on emerging opportunities and create long-term value for shareholders.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has established an adequate system of internal financial controls commensurate with the size, scale and complexity of its operations.

PROJECT STATUS AND FUTURE PROSPECTS OF YASHODA LINEN YARN LIMITED

1. Corporate Overview and Ownership Structure

- **Incorporation and Group Background:** Yashoda Linen Yarn Limited (YLYL) was incorporated on September 14, 2022, as a closely held limited company in the textile sector. The company is backed by the Kankaria Group of Kolkata, a prominent conglomerate with over 80 years of extensive experience in jute, cottonised fibers, and linen yarn manufacturing. YLYL maintains its registered office at 5, Middleton Street, Kankaria Park, Kolkata – 700 071, West Bengal, with Shri Ashish Kankaria serving as a key promoter and plant located at Ujjain, Nerwar, Madhya Pradesh.
- **Strategic Acquisition and Capitalization:** Yajur Fibres Limited (YFL) acquired an initial 80% controlling stake in YLYL on January 30, 2025, for an investment of ₹186.44 lakhs. As part of its forward integration strategy, YFL is investing ₹4,800.00 lakhs from its IPO net proceeds into YLYL to fund the capital expenditure of the greenfield project. This investment is structured as a combination of ₹3,000.00 lakhs in equity and ₹1,800.00 lakhs in debt.
- **Ownership Reconstitution:** Post-infusion of this fresh capital (allotted at the audited book value of ₹11.55 per share as of March 31, 2025), Yajur Fibres Limited's equity stake in YLYL will increase from 80% to approximately **98.50%**.

2. Civil & Structural Milestones on Site

- a) The combination of an expedited structural erection (PEB), technologically superior vendors committed to delivery, and with the project had successfully cleared all preliminary hurdles related to site preparation and essential utilities, confirms that Commercial Production from April 2027 is achievable.
- b) As per the project implementation schedule, all preliminary activities, including civil design finalization, contour survey, boundary wall and land development, soil testing, vendor finalization, and mobilization of civil contractors, have been completed.

- c) Civil construction activities are currently under progress and are scheduled for completion by January 2027. Procurement of plant and machinery is also underway, with major orders expected to be finalized by October 2026.
- d) Machinery foundation work is planned between August and December 2026, followed by delivery and supply of machinery up to January 2027.
- e) Utility and electrical installations are scheduled from October 2026 to February 2027.
- f) Machinery erection is planned from November 2026 to February 2027, followed by synchronization and trial runs during January to March 2027. Commercial production is expected to commence from April 2027.

3. Future Prospects and Market Demand

- **Linen as the Future of Sustainable Textiles:** Natural bast fibers, especially flax (linen), represent the future of the global textile industry due to a structural shift toward sustainable, biodegradable, and environmentally responsible raw materials. Flax is a highly eco-friendly crop that requires minimal water and pesticides compared to conventional crops like cotton, making it a premier sustainable alternative. As global brands and conscious consumers increasingly prioritize traceability, circular economy initiatives, and a reduced carbon footprint, the long-term demand for natural, biodegradable, and recyclable linen textiles continues to accelerate. This shift is transforming linen from a luxury apparel choice into an essential textile category, with the global market for bast fibers projected to reach USD 12–15 billion by 2030, expanding its applications across fashion, home furnishings, and industrial sectors.
- **Strategic Product Focus and Realizations:** Reconfiguring the plant layout to establish a dedicated 100% premium linen yarn facility (envisaging 10,880 active spindles in Phase-I) aligns the manufacturing line with high-value output. Premium linen yarn commands significantly higher market realizations and offers superior operating margins

compared to blended yarn products, elevating YLYL's brand positioning and long-term profitability.

- **Domestic Market Dynamics:** India is a major consumption hub for domestic linen products. Growing disposable incomes, a fast-expanding middle class, and a surge in premium apparel retail outlets continue to drive the demand for natural and sustainable clothing. Given the limited number of organized players in the high-quality linen yarn segment, YLYL is strategically positioned to capture a highly lucrative share of the domestic weaving and apparel market.
- **International Demand and Sustainability Trends:** Evolving global apparel standards are witnessing a massive transition toward natural, biodegradable, and sustainable fibers, with linen emerging as a highly favored product category. Favorable policy developments, such as bilateral Free Trade Agreements (FTAs) signed by the Government of India, are expected to further boost export opportunities for Indian premium linen yarn manufacturers.
- **Group Synergies and Export Network:** To facilitate rapid market penetration and minimize commercialization risks, YLYL will leverage the Kankaria Group's established global network. Through Yajur Fibres Limited's pre-existing jute exports pipeline, the group maintains direct relationships with international retail giants and multinational weaving houses. Em-paneling YLYL as an approved supplier across this network will allow the subsidiary to secure immediate export channels and realize strong volume off-take from the start of commercial production.

4. Synergistic Value Creation and Group Integration

- **Vertical Integration & Supply Chain Closed Loop:** The corporate relationship between Yashoda Linen Yarn Limited (YLYL) and Yajur Fibres Limited (YFL) establishes a highly integrated, closed-loop production model. As a major forward integration milestone, YLYL's wet-spinning facility will absorb YFL's manufactured cottonised bast fibres to produce high-value blended yarns, allowing YFL to process its raw materials into finished industrial products and secure a reliable internal off-take channel.

Conversely, YLYL is positioned to act as a domestic supplier of premium flax fibre back to YFL, enhancing the holding company's raw material security and cushioning it from global supply chain shocks.

- **Diversification & Portfolio Strength:** From a corporate strategy standpoint, setting up YLYL's dedicated yarn plant significantly mitigates YFL's product concentration risk. Historically, YFL has derived over 77% to 85% of its operating revenue from a single product category—Cottonised Flax. By working in tandem, the two companies can offer a comprehensive, dual-threat portfolio of both high-quality sustainable raw fibres and premium wet-spun yarns to textile manufacturers.
- **Commercial & Marketing Synergies:** YLYL will bypass typical market entry barriers and accelerate its commercial launch by leveraging YFL's pre-existing, extensive domestic and international marketing infrastructure. This includes utilizing YFL's established relationships with major weaving houses, monthly domestic buyer outreach, quarterly international representative visits, and dedicated sales agents in Turkey and Bangladesh to secure immediate yarn orders.

2. STATE OF COMPANY'S AFFAIRS

Yajur Fibres Limited operates a bast fibre cottonising unit in India. Situated in Howrah, our Company is a part of the well-recognised conglomerate, The Kankaria Group. The group has rich experience of over 80 years in the Jute Industry. Our group, in the year 2006, acquired the manufacturing operations of cotton and cotton blended yarns into Yajur Bast Fibres Limited (formerly known as M.F.L Corporation Ltd). Subsequently, we have started manufacturing of premium cottonised bast fibres, including flax (linen), jute, and hemp in the year 2017-18. Yajur Bast Fibres Limited was amalgamated into our Company pursuant to the Scheme of Amalgamation under Section 230 to 232 of the Companies Act, 2013, sanctioned by the National Company Law Tribunal, Kolkata bench, vide order dated January 12, 2023 w.e.f. appointed date of April 1, 2021.

Our Company specializes in producing premium cottonised bast fibres, including flax (linen), jute, and hemp.

We cottonise long & brittle bast fibres into cotton like short staple fibre such that the cottonised fibres can easily blend upto 55% with cotton and man-made fibres in the existing cotton spinning system or similar. Cottonising jute fibres until few years ago was considered a farfetched idea but with robust R&D and diligent commercial production of the same by Yajur has changed the landscape of sustainable bast Fibres altogether. While there are thousands of cotton & polyester spinning mills globally there are less than

400 spinning mills between linen, jute and hemp. Our cottonised Fibres can spin from 10% to 85% in cotton spinning systems and easily blends with natural and manmade fibres. These blended fibres spin at 70% of average cotton spinning speed, while the linen rich blends give similar look and feel like 100% linen fabrics, however the cost of production is 25 % less than original linen fabrics. It has taken away the easy wrinkle issues associated with 100% linen. Our Company has capacity of over 300 MT per month of Cottonised Fiber, Flax Yarn and Jute yarn. Your Directors are pleased to share the operational and financial performance achieved by the Company during FY2026.

The key financial highlights on a consolidated basis are as follows:

- Revenue from operations stood at ₹10,097.15 lakhs in FY2026 on consolidated basis as compared to ₹10,104.33 lakhs in F.Y.2025.
- PAT stood at ₹752.36 lakhs in FY2026 on consolidated basis as compared to ₹752.11 lakhs in F.Y.2025.

The decline in revenue and profitability during the year was primarily attributable to prevailing geopolitical tension, adverse effect of US tariff rates for India, global market slowdown and business-related challenges experienced during the reporting period particularly during the last quarter of FY2026. Despite these challenges, the Company's financial position remains stable, supported by its strong operational capabilities and disciplined approach to business management.

Looking ahead, the Company remains optimistic about its long-term growth prospects. With a continued focus on operational excellence, customer-centric initiatives, strategic business development, and improving market conditions, the management is confident that the Company is well positioned to achieve enhanced operational and financial performance in FY2027 while creating sustainable value for all stakeholders.

The Company has successfully raised ₹12,040.80 lakhs from its maiden IPO for setting up of installation of additional production capacity of 4 tons per day at our existing manufacturing unit at Jagannathpur, Phuleshwar, Uluberia, District Howrah and for setting up a greenfield unit at Vikram Udyogpuri, DMIC (Industrial Park, Ujjain, Madhya Pradesh) for 100% wet spun linen yarn and blended yarn in our subsidiary Yashodha Linen Yarn Limited. Both the projects are under execution at its full pace.

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,

The Members,

YAJUR FIBRES LIMITED

(CIN: L17100WB1980PLC032918)

5, MIDDLETON STREET,

KOLKATA-700071, WEST BENGAL, INDIA

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate governance practices by YAJUR FIBRES LIMITED (hereinafter called the "Company") having CIN as L17100WB1980PLC032918. Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the company's relevant books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided to me by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, the explanations and clarifications given to me and the representation made by the Management, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on March 31st, 2026, generally complied with the provisions of Acts, Rules, Regulations, Guidelines, Standards listed hereunder subject to the reporting made hereinafter:

I have examined the books, registers, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2026, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investments, Overseas Direct Investments and External Commercial Borrowing - As per the information provided by the Company, its officers and the documents made available to us no such transaction have taken place during the year.
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015-
 - b. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015- *The Company is listed on the SME Platform of the Bombay Stock Exchange Limited.*
 - c. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; *(Company itself is not registered as Registrar to an Issue or Share Transfer Agent, Mas Services Limited provides services to the Company as its Registrar and Share Transfer Agent).*
 - d. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021,
 - e. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018
 - f. The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021
 - g. The Securities and Exchange Board of India (Issue and Listing of Non-convertible Securities) Regulations, 2021
 - h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018
 - i. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011.
- (vi) Any other act specifically applicable to company: as per the information provided and representation made to us, no such specific other act applicable to the Company.

I have also examined compliance with the applicable clauses of the Secretarial Standards 1 and 2 issued by The Institute of Company Secretaries of India.

I report that during the period under review the Company has substantially complied with the provisions of the Laws, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that based on the information provided by the Company, its officers and its authorized representatives during the conduct of the audit and on examination of the relevant documents and records in pursuance thereof on test-check basis, and also on the review of the Report by respective department heads, Company Secretary and Chief Financial Officer of the Company, in my opinion, adequate system and processes and control mechanism exist in the company to monitor and to ensure the compliance with applicable general laws such as Labour Law and Environmental Laws.

I further report that compliance by the company of the applicable financial laws, like direct and indirect tax laws, has not been reviewed in this audit since the same have been subject to review by statutory financial auditor and other designated professionals.

I further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the Board of directors of the company have taken place during the year as per the provisions of the Company Act, 2013 and The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda, as and when required were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through. None of the members has given dissenting view as per minutes.

I further report that there are adequate systems and processes in the company that commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period, to the best of my understanding, following specific event/actions that can have a major bearing on the company's affairs the Company has been undertaken in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

- i) On 14th January 2026 Yajur Fibres Limited completed its Initial Public Offering (IPO) and listed its Equity Shares on the SME portal of the BSE. Our report of even date is to be read along with this letter.

1. Maintenance of Secretarial records is the responsibility of the Management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit.
2. We have followed the Audit practices and process as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in Secretarial records. We believe that the process and practices we followed provide a reasonable basis for our opinion.
3. Our audit was based on the examination of books and records maintained by the Company.
4. Our Audit examination was restricted to legal compliances of the applicable laws to be done by the Company; we have not checked the operational and business aspects relating to the same.
5. We have not verified the correctness and appropriateness of financial records and books of accounts of the Company as well as correctness of the values and figures reported in various disclosures and returns as required to be submitted by the Company under the specified laws, though we have relied to a certain extent on the information furnished in such returns.
6. Wherever required, we have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.
7. The compliance of the provisions of corporate and other applicable laws, rules, regulations and standards is the responsibility of the management. Our examination was limited to the verification of procedures on test and sample basis.
8. Due to the inherent limitations of an audit including internal, financial, and operating controls, there is an unavoidable risk that some misstatements or material non-compliances may not be detected, even though the audit is properly planned and performed in accordance with audit practices.
9. The Secretarial Audit Report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT

**To
THE MEMBERS OF
YAJUR FIBRES LIMITED**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of **YAJUR FIBRES LIMITED ("the Company")**, which comprises the Standalone Balance sheet as at 31st March, 2026, the Standalone Statement of Profit and Loss, and the Standalone Statement of Cash Flows and Notes to the Standalone Financial Statements, for the Year ended 31st March, 2026, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us the aforesaid Standalone Financial Statements give the information required by Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2026, and profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Companies Act, 2013 and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements for the financial year ended 31st March, 2026. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, however here are no key audit matters to communicate in the auditor's report and we do not provide a separate opinion on these matters.

Information other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Company's

Annual Report but does not include the Standalone Financial Statements and our Auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of the Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position and financial performance and cash flow of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error,

and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of the material misstatement of the Standalone Financial Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and

qualitative factors (i) in planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- I. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act, 2013, we give in the Annexure A, a Statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- II. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss and the Standalone Statement of Cash Flow statement dealt with by this Report are in agreement with the books of accounts.
 - d) In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies with Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on 31st March, 2026, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- III. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according

to the explanations given to us:

- a) The Company has disclosed the impact of pending litigations on its financial position in its Standalone Financial Statements – Refer Note No. 30 to the Standalone Financial Statements.
- b) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- c) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- d) A. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- B. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall,

whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- C. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (A) and (B) above, contain any material misstatement.
- e) The Company has neither declared nor paid any dividend during the Year.
- f) Based on our examination, which included test checks, the Company has used accounting software systems for maintaining its books of account for the financial year ended 31st March, 2026 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.
- IV. With respect to other matters to be included in the Auditor's Report in Accordance with the Requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the managerial remuneration paid/provided by the company to its directors during the year is in accordance with the provisions of section 197 read with Schedule V to the Act.

"ANNEXURE B" TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **YAJUR FIBRES LIMITED ("the Company")** as at 31st March, 2026 in conjunction with our audit of the financial statements of the Company for the Year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on

the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future Years are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE NO. 1: SIGNIFICANT ACCOUNTING POLICIES

A. CORPORATE INFORMATION:

Yajur Fibres Limited (the "Company") is a public limited company duly incorporated on the 7th day of August, 1980, under the provisions of the Companies Act, 1956. The registered office of the Company is situated at 5, Middleton Street, Kolkata, West Bengal, 700071. The Company is primarily engaged in the manufacturing of textile goods.

B. BASIS OF ACCOUNTING OF FINANCIAL STATEMENT:

The Financial statements have been prepared in accordance with historical cost convention as going concern and on mercantile basis.

The Financial statements are presented in accordance with generally accepted accounting principles in India. All the assets & liabilities have been classified as current or non-current as per company's normal operating cycle and other criteria set out in Schedule III to Companies Act, 2013. Based on the nature of the product and the time between acquisition of the assets for processing and their realization in cash and cash equivalent, the company has ascertained its operating cycle as 12 months for the purpose of current, non-current classification of assets and liabilities.

C. USE OF ESTIMATES:

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

D. PROPERTY, PLANT & EQUIPMENT:

Properties, Plant & Equipment including intangible assets of the Company have been stated at cost of acquisition, less accumulated depreciation. Cost includes all expenses incurred to bring the assets to its present location and condition. Capital Work in Progress comprises the cost to fixed assets that are not ready for the intended use at the reporting date.

The Company has adopted the cost model for all classes of Property, Plant, and Equipment, except in case of the factory Land and Building situated at Phuleswar, Howrah, where the revaluation model has been followed.

E. DEPRECIATION:

Depreciation is provided on Straight line method over the useful life of the assets in accordance with schedule – II of Companies Act, 2013 except for the plant and

machinery. Depreciation @ 2.5% p.a. (on pro rata basis) is charged for Plant & Machinery under SLM method based upon evaluation carried by the technical valuer.

Depreciation on assets acquired/sold during the year is recognized on a pro-rata basis to the statement of profit and loss till the date of acquisition/sale.

The carrying amount of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets, net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

F. INVESTMENT:

Investment is treated as Non-Current assets and stated at cost. Provision for Diminution in the value of long-term investment is made only if such a decline is other than temporary nature in opinion of the management.

G. INVENTORIES:

Inventory of the Company have been valued at lower of Cost or Net Realisable Value and cost is determined on following basis:

i)	Raw Material	: At Cost
ii)	Work in Progress	: At Estimated Cost
iii)	Stores & Spares	: At Weighted average Cost.
iv)	Finished Goods	: At Lower of Cost or Net Realizable Value

H. REVENUE RECOGNITION:

i) Sale of Product

- Sales are stated at net of sales returns and Discounts. Raw material consumed are shown net of Sale of Raw materials.
- All Export Sales in foreign currency are recorded at the rates of exchange prevailing on the dates when the relevant transactions take place.

ii) Interest Income

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

iii) Insurance Claim

The company recognizes insurance claims when the recoverability to the claim is established with a reasonable certainty which generally coincide as and when received.

I. GOVERNMENT GRANT:

- Governments grants which are given on the basis of total Investments on Plant & Machinery, other assets

Notes to the Standalone Financial Statements as at and for the year ended 31st March, 2026

and all conditions relating thereto are completed, the grant are deducted from gross value of assets.

- ii) Grant/subsidy linked to the incurrence of revenue expenditure sanctioned by the government under notified scheme are recognized as income on disbursement by the Government.

J. BORROWING COSTS:

Borrowing costs that are attributable to the acquisition or construction of the qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended uses or sale. All other borrowing costs are charged to revenue in the year of incurrence.

K. EMPLOYEE BENEFITS:

- i) Contributions to Provident Fund are accounted for on accrual basis.
- ii) On or before March 31, 2024, the Company recognized gratuity liabilities on a cash basis, accounting for them only when payments were made to employees. However, effective from April 1, 2024, the Company has adopted a defined benefit plan for gratuity, under which liabilities are determined and recognized based on actuarial valuation using the Projected Unit Credit (PUC) method.

L. FOREIGN CURRENCY TRANSACTIONS:

Functional and presentation currency

The financial statements are presented in Indian Rupee (INR), which is entity's functional and presentation currency.

Transactions and Balances

Foreign currency transactions are initially recorded in the functional currency using the exchange rates prevailing on the dates of the transactions.

At each reporting date, all monetary assets and liabilities denominated in foreign currencies are translated using the exchange rates prevailing on that date. Exchange differences arising on the settlement or translation of such monetary items are generally recognized in the Statement of Profit and Loss.

However, in the case of long-term foreign currency monetary items, the exchange differences arising due to translation at rates different from those at which they were initially recorded, or reported in previous financial statements, are treated differently:

-If they relate to the acquisition of a depreciable capital asset, such differences can be added to or deducted from the cost of the asset and depreciated over its remaining useful life.

-In other cases, such differences can be accumulated in the "Foreign Currency Monetary Item Translation

Difference Account" and amortized over the balance period of the related long-term asset or liability by recognizing the amount as income or expense in each of those periods.

Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

M. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS (AS-29):

Provisions are recognized only when there is a present obligation as a result of past events and when a reliable estimate of the amount of the obligation can be made.

Contingent Liabilities is disclosed in Notes to the account for:-

- i) Possible obligations which will be confirmed only by future events not wholly within the control of the company or
- ii) Present Obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are not recognized in the financial statement since this may result in the recognition of the income that may never be realized.

N. EARNINGS PER SHARE:

Basic earnings per share are computed using the weighted average number of equity shares outstanding during the period. Diluted earnings per share are computed using the weighted average number of shares and dilutive equity equivalent shares outstanding during the period, except when results would be anti-dilutive.

O. TAXES ON INCOME:

Current tax is determined on the basis of the amount of tax payable on taxable income for the year. Deferred tax is calculated at current income tax rate and is recognized on timing differences between taxable income & accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets, subject to consideration of prudence, are recognized and carried forward only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. At each Balance Sheet date, the carrying amount of deferred tax is reviewed to reassure realization

GENERAL:

Except wherever stated, accounting policies are consistent with the generally accepted accounting principles and have been consistently applied.

CONSOLIDATED FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT

**To
THE MEMBERS OF
YAJUR FIBRES LIMITED**

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of **YAJUR FIBRES LIMITED ("the Parent")**, and its subsidiary Company (collectively referred to as "the Group"), which comprises the Consolidated Balance sheet as at 31st March 2026, the Consolidated statement of Profit and Loss, and the Consolidated statement of Cash Flow and notes to the Consolidated Financial Statements, for the period ended 31st March 2026, including a summary of significant accounting policies and other explanatory information. (herein after referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under Section 133 of the Act read along with the Companies (Accounting Standards) Rules and other accounting principles generally accepted in India, of the consolidated state of affairs of the Company as at March 31st 2026, and its Consolidated Profit and its Consolidated Cash Flows for the period ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditor in terms of their reports referred to in the Other Matters section below, is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements for the financial year ended 31st March, 2026. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, however here are

no key audit matters to communicate in the auditor's report and we do not provide a separate opinion on these matters.

Information other than the Consolidated Financial Statements and Auditor's Report Thereon

The Parent's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the Consolidated Financial Statements, Consolidated Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information, compare with the Consolidated Financial Statements / financial information of the joint operations, subsidiaries, joint ventures and Subsidiaries audited by the other auditors, to the extent it relates to these entities and, in doing so, place reliance on the work of the other auditors and consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far as it relates to the joint operations, subsidiaries, joint ventures and Subsidiaries, is traced from their Consolidated Financial Statements / financial information audited by the other auditors.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of the Management for the Consolidated Financial Statements

The Parent's Board of Directors is responsible for the matters stated in section 134(5) of the act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the financial position and financial performance and cash flow of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Company's ability

to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of the material misstatement of the consolidated financial statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's report. However, future events or conditions may cause the Company to cease to

continue as a going concern.

- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors (i) in planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in consolidated the Consolidated Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with the mall relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

We did not audit the financial statements of the subsidiary included in the consolidated financial statements, whose financial statements reflect **Total Assets of Rs. 2,876.23 Lakhs** as at 31st March, 2026 and **Total Income of Rs. 7.21 Lakhs** for the year then ended. These financial statements and other financial information have been audited by other auditor, whose report has been furnished to us, and our opinion on the consolidated financial statements, insofar as it relates to the amounts and disclosures included in respect of the said subsidiary, is based solely on the report of the other auditor.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

- I. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act, 2013, we give in the Annexure A, a Statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- II. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Group so far as it appears from our examination of those books.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss and the Consolidated

cash flow dealt with by this Report are in agreement with the books of accounts

- d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors of the Parent Company as on 31st March, 2026 taken on record by the Board of Directors of the Parent Company and the reports of the statutory auditors of its Subsidiary companies incorporated in India none of the directors of the Parent company, its Subsidiary companies incorporated in India is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure B**”.
- III. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- a) The Group has disclosed the impact of pending litigations on its financial position in its Consolidated Financial Statements – Refer Note No. 30 to the Consolidated Financial Statements;
 - b) The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - c) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - d) A. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or

entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- B. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - C. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (A) and (B) above, contain any material misstatement.
 - e) The Company has neither declared nor paid any dividend during the period.
 - f) Based on our examination, which included test checks, the Group has used accounting software systems for maintaining its books of account for the financial period ended March 31st, 2026 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the period for all relevant transactions recorded in the software systems. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.
- IV. With respect to other matters to be included in the Auditor's Report in Accordance with the Requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the managerial remuneration paid/provided by the Parent to its directors during the period is in accordance with the provisions of section 197 read with Schedule V to the Act.

“ANNEXURE B” TO THE INDEPENDENT AUDITORS’ REPORT

Report on the Internal Financial Controls Over Consolidated Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **YAJUR FIBRES LIMITED (“the Company”)** as at 31st March 2026 in conjunction with our audit of the consolidated financial statements of the Company for the period ended on that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Parent Company and its Subsidiary company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial control based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Parent Company, its Subsidiary companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting & assessing the risk that a material weakness exist and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material

misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by auditors of the Subsidiary companies which are companies incorporated in India in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Parent Company, its Subsidiary companies, which are companies incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors referred to in the Other Matters paragraph below, the Parent Company and its Subsidiary companies, which are companies incorporated in India, have in all material respect an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31st, 2026, based on the criteria for internal financial control over Financial reporting established by the respective

companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial

controls over financial reporting insofar as it relates to Subsidiary, which are companies incorporated in India, is based solely on the corresponding report of the auditor of such company. Our opinion is not modified in respect of the above matters.

Notes to Consolidated Financial Statements for the year ended 31st March, 2026

NOTE NO. 1: SIGNIFICANT ACCOUNTING POLICIES

A. CORPORATE INFORMATION:

Yajur Fibres Limited (the "Company") is a public limited company duly incorporated on the 7th day of August, 1980, under the provisions of the Companies Act, 1956. The registered office of the Company is situated at 5, Middleton Street, Kolkata, West Bengal, 700071. The Company is primarily engaged in the manufacturing of textile goods.

During the year, the company has been listed on SME platform of BSE on 14th January, 2026 by way of Initial Public Offer ("IPO") fresh issue of 69,20,000 Fully - Paidup Equity Shares of Face Value Rs. 10 each at a premium of Rs. 164 each.

B. PRINCIPAL OF CONSOLIDATION:

The Consolidated Financial Statements ("CFS") relate to Yajur Fibres Limited (hereinafter referred to as the "Parent Company") and its Subsidiary (Yashoda Linen Yarn Limited) the Parent Company together with its Subsidiary constitute the "Group". In the preparation of these Consolidated Financial Statements, investments in Subsidiary have been accounted for in accordance with Accounting Standard (AS-21) "Accounting of Investment in Subsidiary in Consolidated Financial Statements" referred to in Section 133 of Companies Act 2013 read with Rule 7 of Companies (Accounts) Rules, 2014.

- a. The Financial Statements of the Parent Company and its Subsidiary are combined on a line-by-line basis by adding together the Book Values of like items of assets, liabilities, income and expenses, after fully eliminating inter-group balances and inter-group transactions including unrealized profits/losses in period end assets, such as inventories, fixed assets, etc. The difference between the Parent Company's cost of investments in Subsidiary over its portion of equity at the time of acquisition of shares is recognized in the CFS as Goodwill or Capital Reserve, as the case may be. Minority Interest's share in net profit/loss of Subsidiary for the year is adjusted against the income of the Group in order to arrive at the net income attributable to Equity Shareholders of the Parent Company. Minority Interest's share in Net Assets of Subsidiary is presented in the Consolidated Balance Sheet, separate from liabilities and equity of the Company's shareholders. Minority Interest in the CFS is identified and recognized after taking into consideration:
 - i. The amount of equity attributable to minorities at the date on which investments in a subsidiary is made.
 - ii. Movement in Minority's share of equity since the date Parent-Subsidiary relationship came into existence.

- iii. The losses attributable to the Minorities are adjusted against the Minority Interest in the equity of the Subsidiary.
- iv. The excess of loss over the minority Interest in the equity is adjusted against General Reserve of the Company.

- b. The CFS are prepared by using uniform accounting policies for like transactions and other events in similar circumstances and necessary adjustments required for deviations, if any and to the extent possible, are made in the CFS and are presented in the same manner as the Company's separate financial statement except otherwise stated elsewhere in this Schedule.

The Subsidiary Company considered in the Consolidated Financial Statements are:

S.L. No.	Name of the Company	Country of Incorporation	% of Holding
1	Yashoda Linen Yarn Limited	India	80%

C. BASIS OF ACCOUNTING OF FINANCIAL STATEMENT:

The Financial statements have been prepared in accordance with historical Cost convention as going concern and on mercantile basis.

The Financial statements are presented in accordance with generally accepted accounting principles in India. All the assets & liabilities have been classified as current or non-current as per company's normal operating cycle and other criteria set out in Schedule III to Companies Act, 2013. Based on the nature of the product and the time between acquisition of the assets for processing and their realization in cash and cash equivalent, the company has ascertained its operating cycle as 12 months for the purpose of current, non-current classification of assets and liabilities.

D. USE OF ESTIMATES:

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

E. PROPERTY, PLANT & EQUIPMENT:

Properties, Plant & Equipment including intangible assets of the Group have been stated at cost of acquisition, less accumulated depreciation. Cost includes all expenses

Notes to Consolidated Financial Statements for the year ended 31st March, 2026

incurred to bring the assets to its present location and condition. Capital Work in Progress comprises the cost to fixed assets that are not ready for the intended use at the reporting date.

The Group has adopted the cost model for all classes of Property, Plant, and Equipment, except in case of the factory Land and Building situated at Phuleswar, Howrah, where the revaluation model has been followed.

F. DEPRECIATION:

Depreciation is provided on Straight line method over the useful life of the assets in accordance with schedule – II of Companies Act, 2013 except for the plant and machinery. Depreciation @ 2.5% p.a. (on pro rata basis) is charged for Plant & Machinery under SLM method based upon evaluation carried by the technical valuer.

Depreciation on assets acquired/sold during the year is recognized on a pro-rata basis to the statement of profit and loss till the date of acquisition/sale.

The carrying amount of assets is reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets, net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

G. INVESTMENT:

Investment is treated as Non Current assets and stated at cost. Provision for Diminution in the value of long term investment is made only if such a decline is other than temporary nature in opinion of the management.

H. INVENTORIES:

Inventory of the Group have been valued at lower of Cost or Net Realisable Value and cost is determined on following basis:

- i) Raw Material : At Cost
- ii) Work in Progress : At Estimated Cost
- iii) Stores & Spares : At Weighted average Cost.
- iv) Finished Goods : At Lower of Cost or Net Realizable value

I. REVENUE RECOGNITION:

i) Sale of Product

- a) Sales are stated at net of sales returns and Discounts. Raw material consumed areshown net of Sale of Raw materials.

- b) All Export Sales in foreign currency are recorded at the rates of exchange prevailing on the dates when the relevant transactions take place.

ii) Interest Income

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

iii) Insurance Claim

The company recognizes insurance claims when the recoverability to the claim is established with a reasonable certainty which generally coincide as and when received.

J. GOVERNMENT GRANT:

- i) Governments grants which are given on the basis of total Investments on Plant & Machinery, other assets and all conditions relating thereto are completed, the grant are deducted from gross value of assets.
- ii) Grant/subsidy linked to the incurrence of revenue expenditure sanctioned by the government under notified scheme are recognized as income on disbursement by the Government.

K. BORROWING COSTS:

Borrowing costs that are attributable to the acquisition or construction of the qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended uses or sale. All other borrowing costs are charged to revenue in the year of incurrence.

L. EMPLOYEE BENEFITS:

- i) Contributions to Provident Fund are accounted for on accrual basis.
- ii) On or before March 31, 2024, the Parent Company has recognized gratuity liabilities on a cash basis, accounting for them only when payments were made to employees. However, effective from April 1, 2024, the Parent Company has adopted a defined benefit plan for gratuity, under which liabilities are determined and recognized based on actuarial valuation using the Projected Unit Credit (PUC) method.

M. FOREIGN CURRENCY TRANSACTIONS:

Functional and presentation currency

The financial statements are presented in Indian Rupee (INR), which is entity's functional and presentation currency.

Transactions and Balances

Foreign currency transactions are initially recorded in the functional currency using the exchange rates prevailing

Notes to Consolidated Financial Statements for the year ended 31st March, 2026

on the dates of the transactions.

At each reporting date, all monetary assets and liabilities denominated in foreign currencies are translated using the exchange rates prevailing on that date. Exchange differences arising on the settlement or translation of such monetary items are generally recognized in the Statement of Profit and Loss.

However, in the case of long-term foreign currency monetary items, the exchange differences arising due to translation at rates different from those at which they were initially recorded, or reported in previous financial statements, are treated differently:

-If they relate to the acquisition of a depreciable capital asset, such differences can be added to or deducted from the cost of the asset and depreciated over its remaining useful life.

-In other cases, such differences can be accumulated in the "Foreign Currency Monetary Item Translation Difference Account" and amortized over the balance period of the related long-term asset or liability by recognizing the amount as income or expense in each of those periods.

Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

N. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS (AS-29):

Provisions are recognized only when there is a present obligation as a result of past events and when a reliable estimate of the amount of the obligation can be made.

Contingent Liabilities is disclosed in Notes to the account for:-

- i) Possible obligations which will be confirmed only by future events not wholly within the control of the company or

- ii) Present Obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are not recognized in the financial statement since this may result in the recognition of the income that may never be realized.

O. EARNINGS PER SHARE:

Basic earnings per share are computed using the weighted average number of equity shares outstanding during the period. Diluted earnings per share are computed using the weighted average number of shares and dilutive equity equivalent shares outstanding during the period, except when results would be anti-dilutive.

P. TAXES ON INCOME:

Current tax is determined on the basis of the amount of tax payable on taxable income for the year. Deferred tax is calculated at current income tax rate and is recognized on timing differences between taxable income & accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets, subject to consideration of prudence, are recognized and carried forward only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. At each Balance Sheet date, the carrying amount of deferred tax is reviewed to reassure realization

GENERAL:

Except wherever stated, accounting policies are consistent with the generally accepted accounting principles and have been consistently applied.
